

How to share your Apartment Guide feature

We ask that you post one of the following customized options to your site's home, press, news or resources page, or include a link in a related blog post. Sharing on social media is great; however, it won't count toward the requirement. Please do not create changes to the templates created when posting.

Simply copy and paste one of the options on the right.

Do not make any changes to the options provided.

Downloadable assets

You can download and save the AG logo [here](#).
